Just Associates' Julie Dooling Achieves AHIMA Fellowship Status

CENTENNIAL, Colo. – Oct. 31, 2016 – [Just Associates, Inc.](http://www.justassociates.com), a nationally recognized leader in patient matching and health information data integrity and management, announced today that its senior consultant, Julie A. Dooling, MSHI, RHIA, CHDA, FAHIMA, has achieved American Health Information Management Association (AHIMA) Fellowship status.

The Fellowship program recognizes achievements of AHIMA members who have made significant and sustained contributions toward the advancement of the health information management (HIM) discipline. Recipients demonstrate meritorious service, excellence in professional practice and HIM education and advancement of the profession through innovation and knowledge sharing.

Dooling possesses a rich background in HIM spanning multiple sectors. In her current role with Just Associates, she assists clients with overall data integrity and patient identity/matching efforts. Previously, she was director of HIM Practice Excellence with AHIMA, leading the association's informatics and data analytics service line, including managing patient identity and matching initiatives at the federal level. In this role, she acted as primary faculty for the CHDA exam preparation workshops and presented abroad as part of AHIMA's global efforts. Dooling has also owned and operated a transcription service, served as HIM manager of a large integrated healthcare delivery system, and provided sales support and operational management for leading document management vendors.

“Receiving AHIMA Fellowship status is an elite professional achievement that acknowledges individuals who provide exceptional contributions to their field,” said Beth Just, MBA, RHIA, FAHIMA, President and CEO, Just Associates. “Julie has and continues to positively impact the HIM industry with her dedication and service.”

Dooling holds a Master of Science in Health Informatics and Bachelor of Science in Health Information Administration from the University of Cincinnati. She is active in her AHIMA component state association, the Missouri Health Information Management Association, where she currently serves as President-Elect.
